Violence Against Women

If it were between countries, we'd call it a war.
If it were a disease, we'd call it an epidemic.
If it were an oil spill, we'd call it a disaster.
But it is happening to Women, and it is just and everyday affair.
It is violence against women.
It is sexual harassment at work and sexual abuse of the young.
It is the beating or the blow that millions of women suffer
Each and every day.
It is rape at home or on a date, It is murder.
There's no secret enemy pulling the trigger
No unseen virus that leads to death.
It is only men. Not all men, but far too many men....
...and just who are these men?
The are regular guys.
Men from all social backgrounds and of all colours and ages,
Rich men and poor men, men who toil in the fields
And men who sit behind desks

Christmas Fayre

Thank you to everyone who helped make yesterday's Christmas Fayre a success. Everyone who donated, came along and helped on the day, it adds to the success of the day. We had a lot of new faces who will hopefully come and join us again.

Part of our district development plan is to encourage all churches in **Biblical Engagement**. To help us all, there will be an introductory day on Wednesday 21st of November at Netherton Methodist Church. Please see the poster on the notice board for more information.
